

Minchinhampton  
**MARKET HOUSE**

It's yours – use it and enjoy it!

## Public Consultation

The Minchinhampton Market House Management Committee is presenting three design options, which show how the building could be updated to enable the community to use it more often and more easily.

An extensive survey was carried out in March/April 2015 and two public meetings have also been held. We are now asking local residents and users of the building to tell us which of the three proposed designs they prefer.

The designs are on display in Minchinhampton Library and can also be seen on the website at [www.minchinhamptonmarkethouse.co.uk/news](http://www.minchinhamptonmarkethouse.co.uk/news)

Did you attend the meeting at the Market House on **Sat 17 Oct**? Yes  No

Please tell us which is your preferred option:

**Option A)** No glazing-in of undercroft, no extension

**Option B)** Glazing-in undercroft, no extension

**Option C)** Glazing-in undercroft and new extension
