Control Measures
<ul style="list-style-type: none"> Professional contractors are to be employed. Ensure that your contractors have public liability insurance in place. Discuss and approve all contractors' risks assessments before they commence any work. Ensure that contractors have full knowledge of your health and safety procedures and briefed as to what to do in the event of an emergency. Ensure that contractors are aware that they have a responsibility for their own health and safety and that of others. Please explain that help and support is available. Ensure that contractors are supervised on a regular basis. Refer to HSE guidance " Using Contractors INDG368"
